

LEARNING through PLAY STIMULATION COURSE

Modules

BABY AND CHILD PLAY AND LEARNING THEMES (0 –6 years old)

- Colours
- Shapes
- Numbers
- My Body
- Animals
- Food

NANNY/PARENTAL SKILLS

- Talk your Child Clever
- Reading to a Child
- The importance of reading
- Age Appropriate Stimulating Activities
- Teaching your Child Responsibility
- Movement
- Arts and Crafts
- Developmental milestones – what does this mean?
- Milestones according to age group 0-36 months
- Age specific developmental games

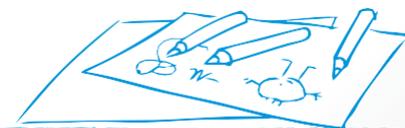

Children are never too young to start learning, with this course we have 3 year olds reading and building short sentences already! The class is perfectly suited for nannies and parents who care for children from 0 – 6 years old. Some of the games are very basic but get more involved as the child gets older. We play all the games in the class so that your child's caregiver is confident to go home and play with your little ones for hours.
